

Amendments to the Specification

In Item 1 of this response, the examiners noted that the Detailed Description heading at the top of Page 4 should be between the first and second paragraphs of Page 3, such that only the first paragraph of Page 3 is under the heading of the Brief Description of the Drawings.

By way of amendment remove the Detailed Description heading from the top of Page 4 and insert it between the first and second paragraphs of Page 3 such that only the first paragraph of Page 3 is under the heading of the Brief Description of the Drawings
